

BLUE RABBIT

READY-TO-SELL TOTAL PACKAGE SOLUTION

- Limited investment and startup costs.
- Large database of supportive marketing material available.
- Compatible with nearly all KBT accessories.

HIGH GRADE OF FLEXIBILITY

- Choice between platform height 0.6 m, 1.2m or 1.5m for each play tower.
- Fun for toddlers, challenging for youngsters.
- Expandable modular system fit for any budget and garden space.

QUALITY AND SAFETY FIRST

- Safe play guaranteed thanks to extra strong and robust designs.

CLEVER DESIGN

- Beautiful, original and distinctive designs.
- Optimal sizes for transportation and logistics.

CONCEPT

The Blue Rabbit 2.0 range is a ready-to-sell solution to offer residential play equipment structures for your customers. The new total package range includes various play towers, swings and extension modules. Each of them with an original and distinctive design, yet adaptable to fit any budget and available garden space.

A high grade of flexibility allows you to choose between various modalities according to your own infrastructure and to meet your local market demands.

We supply building boxes containing all the high quality components required, including step by step instructions on how to build the play structures.

Blue Rabbit 2.0 does not supply the wood package. As a dealer, you supply the matching wood packages.

FERTIGE KOMPLETT-LÖSUNG

- Begrenzte Investitionen und Anlaufkosten.
- Große Datenbank mit Marketingunterlagen steht zur Verfügung.
- Kompatibel mit fast alle KBT Zubehöre.

EINE GROSSE WAHLFREIHEIT

- Wahl der Podesthöhe von 0.6 M, 1,2 M und 1,5 M mit jeder Spielturm.
- Spaß für Kleinkinder, eine Herausforderung für junge Kinder.
- Erweiterbares modulares System, geeignet für jeden Haushalt und für jeden Garten.

QUALITÄT UND SICHERHEIT AN ERSTER STELLE

- Extra starke und robuste Konstruktion gewährleisten eine sichere Spielumgebung.

GENIALE KONSTRUKTION

- Schöne, originelle und unverwechselbare Designs.
- Optimale Abmessungen für Transport und Logistik.

KONZEPT

Die Blue Rabbit 2.0 Serie ist die Komplettlösung um Ihre Kunden ein Programm von Spielgeräten für den privaten Bereich anzubieten. Mehrere Spieltürme, Schaukeln und Erweiterungsmodule, jeweils mit einem eigenen unverwechselbaren Design, sind Teil des neuen Programms. Es gibt etwas für jeden Haushalt und Garten.

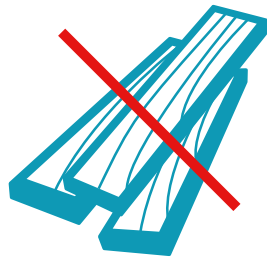

Die Blue Rabbit 2.0 Programm bietet die notwendige Flexibilität, um den Spielgeräten auf Ihrer Infrastruktur und die lokalen Marktbedürfnisse anzupassen.

Wir versorgen Sie mit den Kits. Jede Box enthält alle erforderlichen hochwertigen Bauteilen, sowie eine klare Schritt-für-Schritt-Anleitungen um einen Blue Rabbit 2.0 Kinderspielanlage zu bauen zu können.

Wie Händler, liefern Sie die zugehörige Schnittholzpaketen; Im Blue Rabbit 2.0 Kit sind also keine Holzteilen enthalten.

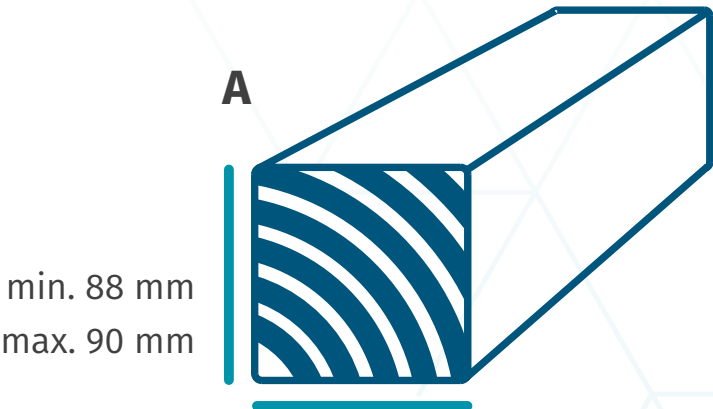

KIT CONTENT
(NO WOOD INCLUDED)

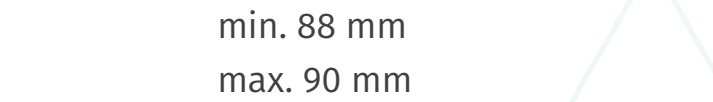

- Maximum 5 different timber sizes are necessary to build the Blue Rabbit 2.0 play towers.
- KBT slides and accessories available separately.
- Maximal 5 verschiedene Holzgrößen sind notwendig, um die Blue Rabbit 2.0 Spieltürme zu bauen.
- Rutschen und Zubehör sind bei KBT separat erhältlich.
